

Regent Property – Cookie Policy

What are cookies?

Cookies are small text files containing a string of characters that can be placed on your computer or mobile device that uniquely identify your browser or device.

Cookies allow a site or services to know if your computer or device has visited that site or service before. Cookies can then be used to help understand how the site or service is being used, help you navigate between pages efficiently, help remember your preferences, and generally improve your browsing experience.

What types of cookies does Regent Property use?

We use Google Analytics which is a service which provides us with comprehensive statistics about how users interact with our website including the geographical location of visitors, average time on site, traffic, and other important metrics.

For further details on this service, please visit: <https://policies.google.com/technologies/partner-sites>

To opt out of Google Analytic tracking, you can use Google's opt-out browser add on: <https://tools.google.com/dlpage/gaoptout>
