

VISION STATEMENT

Our aim is to be the provider of choice for anyone looking for a trustworthy, experienced, and professional partner to deliver comprehensive property solutions in the Glasgow area.

MISSION

Our mission is to excel in Property Letting, Sales and Factoring for all of our clients by always putting people at the heart of our business, starting with our friendly, enthusiastic and well-trained staff who have a passion for property and expert knowledge in our local area.

We are continually investing in our people, encouraging and supporting self-development and growth, and keeping up to date with the latest technology to streamline processes and drive efficiency.

Working together as a team, we help to generate fresh ideas and innovative solutions for our clients and partners.

From tenants, landlords, suppliers, contractors and our own 'Team Regent' we aim to deliver an outstanding service driven by our core values of respect and integrity.

By listening to our clients, we can understand what is required, from their point of view, and deliver on their needs.

Our commitment to excellence means being honest and transparent in every aspect of our business, communicating with our clients at every stage of our relationship and taking full ownership of our obligations to them.
